**How to Read this Chart :** Locate the time and day of your class within the bolded lines. Once you've located the block, move up the column to determine the date, return to the block and move left along the row to find the time.

For example: BIOL 207 meets T/Th from 8:50-10:20 a.m. This block is in the 4th column and 3rd row of the chart. Therefore, the scheduled final examination for this class is Sunday, December 10, at 7:00 p.m. The exam is taken in the same classroom in which you met all term.

**Faculty Note :**

Grades are due Saturday, December 16 to the Registrar's Office.
